

2026 Augustana Twilight@ YANKTON TRAIL PARK
Friday, September 4th, 2026

Start Time:

7:30pm JV Boys-1.5 mile
7:50pm JV Girls-1.5 mile
8:15pm Varsity Boys-5,000 meters
8:45pm Varsity Girls-5,000 meters
9:15pm College Men
9:45pm College Women

Course Site: Yankton Trail Park Sioux Falls, SD. **Admission will be charged 10 dollars per car** upon entry to the park. Cash Only. **Parents please read the spectator information** as this meet is very big and you will need to know procedures. I recommend spectators arrive plenty early as traffic/parking will be a challenge. (If you park your vehicle outside the park area you will not be charged an entry fee.)

Reminder: We do not have bussing to this meet and athletes must find their own transportation to the meet. Athletes should arrive at minimum 90 minutes prior to their race.

Team Scoring: Your top 5 finishers will be scored with the next 2 as pushers in all races.

Results: Unofficial results will be posted and available as soon as they are tallied and recorded. Official results will be produced and available on site. Results will also be posted at www.goaugie.com/twilight immediately following the event and on Dakotatiming.com

Timing: Team scoring and times will be recorded by using the chips inside your Bib number. **DO NOT CRUMPLE YOUR BIB NUMBER** FOR THIS MEET AS IT WILL AFFECT YOUR RESULTS!

Parking

- All traffic will be required to enter the Yankton Trail Park with a right turn at the [57th Street entrance](#). The Minnesota Avenue access will be exit only.
- Attached are maps detailing the traffic flow/parking plan for team and spectators.
- Spectators will be charged \$10 cash per vehicle to park in Yankton Trails. Please communicate that with your fans.

Weather

- We were fortunate to have nearly perfect weather the past two years, but the current forecast for next week suggests that we may be back to more typical early September temperatures this year.
- We will continue to monitor the forecast closely over the next week. Depending on the expected temperature and conditions next Friday, we may consider shortening the earlier races. One possible adjustment would be to run 3K for the first set of JV races and 4K for the second set.
- Our preference is to keep all race distances as currently scheduled, but the health and safety of participating athletes will be the priority. Any changes will be communicated as early as possible.

Twilight T-Shirts and Gear Raffle

- Dri-fit meet t-shirts will be available onsite near the finish line for \$20
- Augustana's enrollment office will be sponsoring a gear raffle the night of the meet — athletes can scan a QR code at the t-shirt table to enter.
