

A few items of note as you plan to come to Huron:

- Huron moved to YELLOW today so masks for spectators is highly encouraged.
- Coaches and athletes should wear a mask when social distancing is not possible.
- Athletes warm up or competing do not need to wear a mask.
- Due to the large number of schools attending, we have to restrict the number of runners per race. Each team will have their own starting box.
- All medals will be handed out at the finish line – no awards presentation after the meet.
- Huron will have two trainers by the finish line.
- Water will be provided at the finish line for all athletes.
- Please clean up camp areas and throw away all garbage
- BC is hosting a foundation golf tournament after the meet so please leave the facility after the last race.
- 20 portable toilets have been rented and will be outside the pro shop. Athletes will NOT be allowed in the pro shop unless buying from the concessions.
- There is NO open lots south of BC for spectators to walk through any longer. If spectators park south of BC, please use the public sidewalk on the far east end of the housing development. Please be respectable of all private property south of BC.
